

Manually Pair Your Device

BioOne Complete for Mobile

- 1) From a desktop, laptop, or tablet device **log in to your institution's network** for access to electronic resources (subscribed content).
- 2) Click on or copy and paste this link into your web browser: <https://www.bioone.org/action/mobileDevicePairingLogin>
- 3) Next, log into your your BioOne Complete account, or create an account if you do not have one. Once logged in, your **unique pairing code** will appear on the next screen.

- 4) On your phone or tablet, open a browser to complete.BioOne.org. Expand the menu icon in the upper left-hand corner of the Home page, scroll down, and tap open **My Account** options.
- 5) Scroll to select **Pair Device**, the last option in the My Account menu.
- 6) Enter your pairing code and press **Verify Code**.

HINT:
Your device stays paired for 180 days.

Congratulations! Your device is now paired and able to access BioOne Complete content on the go.
